### PASSPORT UPDATE – MICROCHIP DETAILS

If you are the owner of a horse that has a passport issued by the Cleveland Bay Horse Society and you now need to add microchip details to that passport, please complete this form with your details. Then, either ask your Vet to complete the form overleaf or alternatively, request your Vet to supply a letter to the CBHS which includes the details of the horse, microchip location, and microchip number, and confirmation that the horse matches the description on the passport.

Name of Horse	
Passport No	
Name of Owner	
Address

Please return this form, the letter from your Vet, and the fee of £15 to the Cleveland Bay Horse Society (address as above). The CBHS will then update the passport details and email confirmation of receipt to you.

**DO NOT** send the passport to the CBHS.  
Please ensure that your Vet has added the microchip details to the passport.
