

Stallion Questionnaire 2018

Following the AGM Council have prepared the following questions and would appreciate your feedback. We have listened to concerns raised and the 3 generation rule has now been removed from the proposed Stallion Rules. **Please complete and return your responses by Monday 28th May 2018.**

1. Is your stallion currently available at public stud? If the answer is **No**, is there a reason for this? If the answer is **Yes**, how and where do you advertise?
2. What health checks do you complete for your stallion at the start of the breeding season? If you do not carry out health screening for your stallion please state why.
3. How many mares in total has your stallion covered in the past 3 years?

How many were visiting mares?
4. How many foals in the past 3 years has your stallion sired?

5. What level of vetting do you think is acceptable to detect ANY undesirable heredity traits?

Stallion Questionnaire 2018

Do you agree with the proposed 5 stage vetting, if not why not?

6. Do you wish to continue with a tiered grading system, for example Basic licence and QA? If the answer is NO, what alternative system **do you** suggest the CBHS consider?

7. Do you think a mare owner would select a QA stallion in preference to a one with a basic licence?

8. Would you put your stallion forward for a QA? If the answer is NO why and what would encourage you to present your stallion for a QA?

9. Do you think it is acceptable to allow visiting mares to be covered by a stallion and remain at stud without the appropriate health checks, e.g CEM, EVA?

10. As a breeder what health checks and qualities would you require when selecting a stallion not at your stud?
