

The Performance Scheme Winners 2012

2012 was perhaps a little disappointing in that fewer entries were received for the performance scheme, although I hope that all who took part and supported it, enjoyed it and will continue to support it. As the scheme is self-supporting we hope not to have to increase the entry fee in order to give prize money as well as nice rosettes. It would be nice to be able to welcome some new entrants to the scheme, and cards are available at the same cost as last year. A new trophy was presented in memory of Marygold Nixey for shows at both ends of the country, giving everyone a chance of winning. Cards will be available again this year and we hope for another good turnout at the presentation at the AGM in October.
