Cleveland Bay Horse Society

Registered Charity No. 293872

Census Form 2014

To All Cleveland Bay Owners,

The Cleveland Bay Horse Society requested information regarding members' horses last year. After collating all the information received it was decided by the council that a more detailed census was required, to obtain a greater understanding of this truly magnificent breed.

Therefore, the Cleveland Bay Horse Society is actively seeking information on all Cleveland Bay horses. This will enable the production of a comprehensive database to highlight the number of horses, their gender, breeding and current and future breeding activity to provide an accurate profile of this endangered species.

We are asking that all members please take the time to complete the census forms provided and return to info@clevelandbays.co.uk or return to the office address above. Alternatively you can obtain the form on the Cleveland bay website, www.clevelandbay.com.

If you know of any Cleveland Bay owner that is not currently a member of the society, please can you kindly request that they complete the census form. They do not have to become a member to complete the form.

I would like to thank you for your co-operation in this matter and your support of this versatile British breed.
